

## K2 KÉKFRANKOS BIRTOK VÁLOGATÁS (0.75 l)

Dry red wine 2017

One of the most important grape variety in our estate is the Kékfrankos. This central-european variety was fermented in stainless steel tank that was followed by 6 months barrel aging for the 50% of the total amount. After a very strict judgement of the Szekszárd winemakers panel, we were allowed to fill this Kékfrankos into the special bottle of Szekszárd.

Year: 2017

Alcohol: 13%
