

TELEKI *Villány*

Merlot 2021

Origin: Pannon region, PDO

Varieties: Merlot

Fermentation: refrigerated, reductively at 14 °C, in stainless steel tanks

Description: Merlot is an international grape variety with deep flavors reminiscent of sour cherry, raspberry, and its velvety structure makes Merlot the favourite of many winelovers. Teleki Villányi Merlot has intensive nose full of ripened, elegant cherry, sour cherry and raspberry. Lusciously full bodied and thanks to its vivid acidity this wine is not clumsy at all. The palate is also abundant with red berry fruits softened by the barrel ageing. Long, elegant finish. Wonderful with roasted pork, red meat dishes served with fruity sauce.
