This wine is the combined merit of cutting-edge technology and careful attention to detail, its fruitiness and complexity comes together perfectly without the use of artificial chemicals, only SO<sub>2</sub> is used.

The most important principles of organic winemaking are respect and care, which guarantee the result of outstanding quality and the incomparable harmonies of the product known as 4:20. It is only the truly exceptional vintages that are allowed to bear this name. Born with a sole focus on flavours and aromas, 4:20 breaks all the rules. Poetry in a bottle.
