Aged: 40% 3rd-fill 220 L Szerednyei barrel for 5 months,
60% tank for 10 months

Bottle aged: min. 7 months

A rethought Furmint. Thanks to the state of the art equipment and BIO cultivation, we have retained a great deal of fruitiness in our Furmint wine which is otherwise well-known from mineral and salty primer aromas. In this way, a uniquely light fruity, yet in its structure and depth, a serious vineyard selection was put in the bottle.
