

Serpens Frizzco 2024

Grape varietie(s): **Furmint, Hárslevelű, Muscat Lunel/Sárgamuskotály**

Soil: Volcanic, andezite, zeolite, loess

Technology: tank fermented

Tasting note: The colour is a very light, pale greenish yellow. Very fresh floral nose, with elderflower notes that almost burst from the glass. On the palate, these floral, elderflower notes are complemented by white flesh peaches, which are intensified by the bubbles. A lively acidity, lower alcohol content and a few grams of sugar create a great balance.

Parameters: alcohol: 11,5 vol%
