

Name, Category	Bio Dobosi Cuvée PDO
<b>Details</b>	<p>Made from a blend of Cabernet Sauvignon, Merlot, Cabernet Franc and Syrah.</p> <p>Its colour is medium deep, with a purple tinge when swirled in the cup.</p> <p>This wine could be called the red brother of the fresh Olaszrizling, as it was born to add a touch of pleasure to a quick conversation.</p> <p>The nose is dominated by Cabernet Sauvignon, with bitter chocolate cherry notes intensely underpinned by the fruitiness of merlot. On the palate, its lush, beautiful fruitiness lingers on the palate.</p>
