Harvest	December 13.	Alcohol	13.0%
Winemaking	stainless steel	Sugar	161 g/l

Tasting note

Crystal clear, starbright gold color and high viscosity suggest a high potential even when poured into the glass. The nose is medium intense, with graphite and vanilla and dried apricots. The palate is sweet and complex. Ripe apples and pears are joined by herbal notes. Once swallowed, the moderated alcohol sensation lingers on the peach and honey, playfully intermingled with the caramel flavors.

Special wine from a special vintage, made from the Zeusz grape variety.

Recommended food pairing

We recommend it with honey cream or Marlenka .
