|-----------------------|---|
| Name, Category | Pannonhalmi Főapátság Quadrupel BELGIAN-STYLE, ABBEY, HIGH-ALCOHOL BROWN ALE |
| Details | Characterised by strong malty, caramel aromas that blend nicely with the yeast character. The sweetness of the malt and Belgian candy sugar, combined with the high alcohol content, results in a round, medium-dry mouthfeel with a restrained bitterness. Drink at 12-16 °C! |
| Ingredients | water, barley malt, candy sugar, hop, yeast |
| Alcohol vol % | 10% |
| Balling ° | 21° |
