

HABCSÓK

Sparkling, dry cuvee (2023), 0,75 l

VINEYARD SPECIFICATIONS

Name of the vineyard	Ciróka, Megyer, Királyhegy
Grape variety	50% Furmint, 30% Hárslevelű, 20% Muscat Lunel
Maturation	4 months in steel tank
Bottling date	August 2024

WINE CHARACTERISTICS

Alcohol	10 %
Sugar	1.3 g / l
Acidity	7.4 g / l

A vibrant and expressive sparkling wine crafted from organically farmed grapes, highlighting the crisp character of Furmint, softened by the floral elegance of Hárslevelű and the aromatic charm of Sárgamuskotály.

Its youthful color glows with a pale yellow hue, complemented by fine, persistent bubbles that enhance its freshness. The nose opens with bright citrus notes and delicate white flowers, underpinned by ripe grape aromas and accompanied by a subtle mineral touch.

On the palate, the lively effervescence amplifies its refreshing acidity, carrying forward the same citrusy and floral aromatics found on the nose. Its light, elegant structure is balanced by a crisp finish with a hint of minerality and a lingering pleasant tartness. This sparkling cuvée offers a refined yet playful drinking experience.

Served at 7-8 C°, it's excellent with goat and other salty cheeses.
