JUHFAK 2024
SOMLÓ

TORNAI
PINCÉSZET

THE WINE

Vintage	2024	Wine style	dry
Harvest	controlled fermentation	Alcohol	13%
Winemaking	protective handling (stainless steel)	Residual sugar	1,2 g/l
		Acidity	5,9 g/l

TASTING NOTE

Youthful, vibrant, and fruity wine. It is made in cooled, steel tanks with reductive technology. This way it preserves as much of the original aromas and flavors of the grapes as possible, while also showcasing the typical Somló minerality. This is the must-drink wines of everyday life in both summer and winter.

Juhfark is one of our light and popular style wines, its freshness and fruitiness makes it easy to love. With this variety we'd like to show that Somló conquers not only with its full bodied, big wines, but also with the easy drinking wine styles.

RECOMMENDED FOOD PAIRINGS

Recommended with a light lunch or dinner, grilling, as a spritzer, or just a glass at the end of the day to wind down.

Somló volcanic wine: characteristic minerality and especially rich content. We have been awarded London's International Wine Challenge Trophy Award, the highest recognition of the world's most influential wine competition, four times.
