ARUENNA

ORGANIC GIN

HISTORY

Arduenna gin is the wish of Martin and François, two young people from the **Ardennes**, epicureans and gin lovers, to distil and bottle this beautiful region that is Ardenne. In order to push the journey to the end, Arduenna has concentrated aromas **100% organic** characteristics of this region in its bottle.

The subtle combination of the roundness of the mirabelle plum, the freshness of the fir tree and the sweetness of the elderflower will give you an unprecedented taste experience

AROMATIC BOUQUET

NOSE

Round, silky, complex with a predominance of white flesh fruit.

COLOR

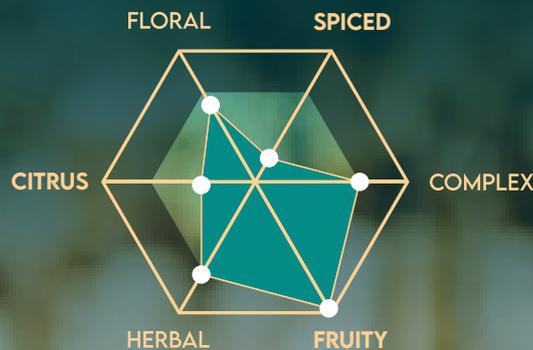

Distillate with a crystalline sheen.

ARoma

Roundness of the mirabelle plum, freshness of the fir tree, sweetness of the elderflower.

TASTE

Spicy attack of juniper but especially of pine. The resinous side is well present then comes this vanilla side of the fruit and elderberry. The finish is very long and sweet.
