

IKON Tulipán 2020 – Red cuveé

The most well-known meaning of **tulips** is perfect, deep love. Ideal to give to someone for whom we feel deep, unconditional love. One of top wine of the winery. It was made with selected hand harvest. Fermented in steel tanks cold macerated for 21 days.

Mid-to-deep ruby. Dense nose of ripe blackberries, black plum, a minty edge, herbal. The wood and incense smell of the sacristy. Still very tightly wound, though, even after two hours in the glass. It's as full on the palate as the nose suggests, but the Shiraz black pepper makes an appearance, too. The tannins are still a little clunky, even after six years. The oak-spice, pepper and black fruit finish has some persistence. Need to love big, dense wines.

Vintage: 2020

Region(apellation): Balatonboglár Region

Determinant soil type: Loess (yellow soil)

Type and rate of vine: 45% Merlot, 35% Cabernet Sauvignon, 30% Cabernet Franc
