Grape variety	50% Furmint, 40% Muscat Lunel, 20% Háslevelű
Maturation	10 months in steel tank
Bottling date	June 2025

WINE CHARACTERISTICS

Alcohol	13,15 %
Sugar	4.3 g / l
Acidity	5,1 g / l

A vibrant sparkling wine that brings together the crisp character of Furmint, the perfumed aromatics of Sárgamuskotály, and the floral elegance of Hárslevelű.

Its color glows with a pale yellow hue, complemented by fine, persistent bubbles that further enhance its freshness. On the nose, lively fruit notes and delicate white flowers appear, supported by ripe grape aromas and accompanied by a subtle mineral touch.

On the palate, the lively effervescence highlights its fresh acidity and echoes the fruity and floral aromatics found on the nose. Its light, elegant structure is concluded with a crisp finish, gentle minerality, and a long-lasting, pleasant tartness. This sparkling cuvée offers a refined yet playful drinking experience.

Served at 7–8 °C, it is an excellent pairing for goat cheeses and other salty cheeses.
