Serving Temperature: 8-10°C

Aging potential: 2-5 years

17% - 6 months

READY TO DRINK

Available format: 0,75l

*A delicate golden-yellow hue. The bouquet is discreet and initially reserved, gradually revealing gentle notes of ripe yellow fruit — apple, melon, and a mineral note reminiscent of wet stone. On the palate, it is dry, with a subtle oily texture that adds convincing smoothness and pleasant suppleness. The wine is perfectly balanced; with its medium body and moderate acidity, it is highly drinkable and food-friendly.
