Méthode traditionnelle

Protected origin Tokaj dry sparkling wine

Grape variety: 100% Hárslevelű

Pale hay yellow. Appealing notes of apple and pear complemented by classic yeast character. The aromas typical of Hárslevelű and the aromas associated with the méthode champenoise are beautifully melded. A firm beam of acidity enlivens the palate. This is an attractively light wine that exhibits rich mousse, tree fruits, citrus and yeast aromas. A great example of the virtues of the traditional style.
