

FRANKOVKA 2022.

It's no secret that this variety is our greatest love. Thanks to its incredibly long history, it has become a tradition, and its wine is light, airy and fruity. The queen of our hall, the frankovka is known to all.

Color

 rubinski crvena

Aroma

šljiva

kupina

trešnja

TASTING NOTES

Ruby-red wine boasts scents of plum, blackberry, and cherry, providing a dry and rounded experience on the palate with pronounced freshness and spicy aromas. Dika Frankovka represents the proud tradition and quality of Slavonian wines.
