DRY AGED RED - APPASSIMENTO 2022

ORIGIN: Austria, Burgenland

CATEGORY: Dry, Red, Still wine

GRAPES: 75% Blaufränkisch, 25% Cabernet Sauvignon

WINE DESCRIPTION

An exceptional strong, dry red wine with a full-bodied density, delicate extract sweetness and a great length. The special grapes for this wine are dried for ten weeks in small crates in an airy attic, followed by an additional four weeks of maceration before this Appassimento is matured in barrique barrels for 18 months. We expect the Dry Aged Red to keep for around 20 years, although the wine is already a pleasure to drink now.

FOOD PAIRING

Perfect with exquisite dark meat, especially a good beef, it is a true delight. Even on its own, it offers a great experience for the palate.

ALCOHOL: 16.0%
DRINKING TEMPERATURE: 16–19° C

BOTTLE SIZES: 0.750l
CLASSIFICATION: Wein
VEGETARIAN: Yes
VEGAN: Yes
