

Vitorlás Rajnai Rizling 2025

Rajnai Rizling

100% Rhine Riesling

The winemaker's summary

"An international variety - as interpreted by us. For us, Rhine Riesling offers a window to the wider world, as we primarily work with local Hungarian varieties. It's a true cosmopolitan that thrives in many places, but the first-class vineyards of Badacsony suit it particularly well; it has been present in our wine region for over 200 years. Our 2025 Sailing Rhine Riesling is a truly easy-drinking Riesling, naturally with its own distinctive characteristics. Its aroma features apricot blossom, jasmine, and vibrant flavors and aromas, while its taste is dominated primarily by notes of grapefruit and mango with a hint of nascent petrol. It is also characterized by lively acidity."

Winemaking Notes

We began harvesting the Rhine Riesling in early October 2025 in Badacsony and Csobánc, and thanks to the dry summer, we were able to harvest fully ripe grapes. It was produced using 100% tank fermentation.

Analysis

Grape variety: 100% Riesling

Fermentation: reductive

Aging: none

Style: dry

Alcohol: 12.5%

Residual sugar: 1.7 g/L

Acidity: 5.3 g/L
