Vinification & Aging	fermented and aged in stainless steel and from 5-7 months in French oak barrels (500l) at controlled temperatures, using mainly conventional yeasts with a small indigenous component
Stopper	cork
Description	A delicate golden-yellow hue. The bouquet is discreet and initially reserved, gradually revealing gentle notes of ripe yellow fruit — apple, melon, and a mineral note reminiscent of wet stone. On the palate, it is dry, with a subtle oily texture that adds convincing smoothness and pleasant suppleness. The wine is perfectly balanced; with its medium body and moderate acidity, it is highly drinkable and food-friendly.
Food pairings	versatile, pairing best with fish, chicken, pork, and seafood, creamy dishes such as risotto and pasta, soft cheeses and Asian food
Serving Temperature	8-10°C
Aging potential	2 - 5 years
